Re: Appointment of Terry Lynch to the Board on Aging and Long-Term Care

AARP Wisconsin strongly supports the appointment of Terry Lynch to the Board on Aging and Long-Term Care.

Mr. Lynch is a strong advocate for Wisconsin's seniors and for people with disabilities. He has been a core volunteer for AARP Wisconsin for many years, active in his hometown and as an AARP Wisconsin Executive Council member. He is an expert in his field, bringing both personal experience and years of research to his advocacy.

Mr. Lynch will enhance and advance the mission of the Board on Aging and Long-Term Care. The Board's mission is to promote improvement of conditions in long-term care; monitor the development, implementation and outcome of long-term care policy and make recommendations, stimulate public interest and provide education regarding long-term care issues.

We ask that you vote to confirm Mr. Lynch as a member of the Board on Aging and Long-Term Care.
